Summary

We are hunting for a GIS Team Leader with strong experience in GIS (e.g. ArcGIS, Intergraph, OpenGIS) technologies. This person should have several years leading development teams and strong experience with Microsoft .NET; experience with Oracle Spatial is preferred, and experience with Intergraph would be ideal.

Strong GIS candidates that are also strong communicators but lack extensive leadership experience will be considered, assuming their GIS credentials are strong enough.

This is a long-term contract opportunity in Harrisburg, PA.
